

## FRONT DESK CONCIERGE POSITION

Sweet 185 has grown from a small sugaring studio into a thriving, fast-growing business in the heart of the design district on upper King St., including a retail boutique and organic nail and facial services. We are currently looking for the perfect Front Desk Concierge candidate to grow with us. The successful candidate's responsibilities will be varied and far reaching: from greeting clients and coordinating therapists to inventory management and creating delightful product displays. This is not a part-time or short-term position. The ideal candidate should expect to work hard, thrive in a fast-paced, warm but professional environment and be with us for a long time.

The position hours are Tuesday - Friday and alternating Saturdays. 30-40 hrs/week. Beginning pay is \$10 per hour but we match production with pay. In other words, superior sales and service generate additional revenue for us and we like to share the rewards with those who have helped create them. Applicants should apply directly to [christina@mysweet185.com](mailto:christina@mysweet185.com) after going to our website and completing both applications\*.
